Public Comments: None

Review of 2018-2019 Mathematics End of Year Assessment Data: Mr. Andersen

- As we viewed the Mathematics Data we noticed and discussed the following items
 - 47.5% of students were proficient
 - Continue to push our average and high students
- Mr. Andersen encourage council to go to datagateway.school.utah.gov to look at our schools data.

Review 2019-2020 Mathematics Goal:

- We reviewed last year's goal and action plan.

Create 2020-2021 Literacy Goal:

- The changes made to the action items were
 - We will remove Front Row as we no longer use this program
 - We will also add the following items to our action plan:
 - Teachers and staff will attend training and professional development by attending conferences and workshops.
 - Stipends will be paid to teachers for extra duties and curriculum development.
 - Funds will be provided for travel expenses to and from conferences.
- We also discussed the following items
 - iReady data is showing amazing growth to students who are using it
 - Sierra Bonita will participate in CMI training this upcoming school year
 - 6th grade math technicians
 - Math tutorials made by student

Other:

- Heather Telford reported that the PTA will sponsor a "Show Your Stuff" month during April to get students excited about showing off all they've learned
- District SCC on March 17th at Landmark High School @ 4:00pm
