

School Improvement Plan

Goal #3

This Plan also meets legislative requirements for the Elementary Reading Achievement Plan, Professional Development Plan, and Trustlands Plan.

School Name: Sierra Bonita Elementary

School Year: 2017 - 2018

Goal: *The number of integrated fine arts lessons, K-6, will maintain at, or increase from 130 by the end of the school year.*

Nebo Goal (Board Goal) Connection: Elementary Arts.

- *100% of teachers will teach the Nebo Core Essentials as verified by a survey.*

Action Plan(s):

1. Teachers will participate and implement what they learn through the district GAINS (Growing Arts In Nebo Schools) program to strengthen arts instruction and integration.
2. Teachers will develop grade level curriculum maps, which include arts integration across all curriculum content areas. Teams will use these maps to direct their instruction. Funds will be provided for substitutes so teams can collaborate and develop curriculum maps with arts integrations.
3. Planning time offerings will be devoted to all four art forms (visual arts, music, drama, and creative movement/dance). These planning time instructors will collaborate with school fine arts specialists and classroom teachers regarding curriculum and students' needs.
4. As a school, we will continue to strengthen and expand before, during, and after school offerings in the fine arts.

Measurements of Success:

- *GAINS Survey data provided from the district.*
- *100% of grade level teams that have included fine arts in the curriculum maps.*

Supporting Professional Development Activities (if applicable):

1. Teachers will participate in professional development opportunities provided by district arts specialists and school fine arts team to strengthen arts instruction and integration of the arts core.
