### **Review of 2018-2019 Literacy End of Year Assessment Data:** Mr. Andersen

- As we viewed the Literacy Benchmarks and Acadience (DIBELS) assessments we noticed and discussed the following items
  - Some grade levels had dropped slightly from the beginning of year benchmarks
  - In the Acadience assessment student proficiency and growth increased by 1%
- We discussed how the younger grades receive specific pinpointed data on where student's strengths and weaknesses are, but the upper grades does not. To help with this area we discussed:
  - The possibility of purchasing iReady Reading to pinpoint areas of improvement
  - Discussion of testing all grade levels using Acadience

### **Review 2019-2020 Literacy Goal:** Jamis O'Brien:

- We reviewed last year's goal and action plan.

### **Create 2020-2021 Literacy Goal:** Jamis O'Brien:

- The changes made to the action items were
  - Remove Nebo Plus and replace with Intervention Lesson Plan
  - Remove MyOn as this product is no longer available
- We will revisit it as we receive more information on cost of iReady Reading and Acadience
