McKade, 6
cancer

Thank you for granting wishes like McKade's:

Six-year-old McKade loves sports. He likes to play whichever sport is in season and you will always find him with some type of ball, wanting to play with whoever is willing. He also has great style and likes to take care of his hair, clothes and personal appearance. McKade always likes to be fully dressed as soon as he wakes up in the morning. McKade also loves superheroes; his favorites are The Incredible Hulk, Iron Man and Captain America.

Two years ago, McKade went to Disneyland[®] and thought it was the most magical place he had ever seen. His wish is to go to Walt Disney World[®] so that he can feel that magic again. He is also very excited to ride on a plane to get there instead of a long car ride.

McKade was diagnosed with cancer after lots of blood tests to figure out why he was in so much pain. The night that he was diagnosed, he had his very first chemotherapy treatment, which took away the pain that he had been dealing with. He is very determined to do anything and everything to fight his cancer, just like a superhero.
