**Conducting:** Jana Cazier

**SCC Folders:** Council members received folders containing the following information:

Meeting Schedule and Contact Information  
School Year Calendar  
School Improvement Plan for 2017-2018 school year  
Safe Walking Routes w/ Areas of Concerns

**Assessment Data:** End-of-Year Testing (2016-17) – Parents were encouraged to go to [www.datagateway.schools.utah.gov](http://www.datagateway.schools.utah.gov) to see data of Sierra Bonita. An explanation of the Data Gateway website and data of how Sierra Bonita compares with other schools similar to Sierra Bonita was shared. First and Second grade data on Language Arts and Math was shared along with DIBELS and Grade Level benchmark data. Language Arts and Math are areas where we will continue to improve.

**Report from Superintendent SCC Meeting:** Mr. Andersen was able to attend and report back to the council about this meeting. The upcoming District Bond was discussed at length and clarified what it entailed. Spanish Fork, Springville, and Payson High Schools would be rebuilt along with 3 new middle/junior high schools would be built. Council members were also encouraged to follow Nebo School District and the Superintendent on social media to be kept up to date on important information concerning their District.

**District Bond Survey:** Members were encouraged to complete the District Bond Survey for themselves and to also invite their neighbors to complete it as well. Mr. Andersen shared with the council how they could access the survey via District website and email from Sierra Bonita. He also informed the council that more information about the bond would be coming to the District website.

**Superintendent SCC Meetings** – All council members were invited to attend
