Review Goals for the current year and how funds are being used: Mr. Andersen

- We hired a new technician for this year.
 - We now have a total of 7 technicians
 - Roughly \$70,000 to be paid to technicians
- \$20,000 for technology
- At SIT meetings we are able to see how we can give more support to teachers
 - More interventions for students who are struggling

Normally at this time of year we review the data from the previous year but due to COVID shutdown no end of year assessments were given. In our February meeting we will look at Acadience Reading Data and iReady Diagnostic data.

Other:

- Discussion about 6th grade students leaving this year and attending the new middle school will allow us to use their Chromebooks.
 - Because 120 students will be leaving our Trustland funds will be reduced.
- The council members asked how are teachers feeling with everything this year. Teachers are seeing increased student growth with the additional 45 minutes after school.

Next Meeting:

Tuesday, January 19 @ 1:00pm
