**Public Comments:** (5 minutes per person) No public comments this month

### **Review and Solidify Goal #2 for next year:**

- As we looked over & discussed each section in our Mathematics Goal we made the following changes:
  - In the Nebo Goal section we changed the grade levels to read 3<sup>rd</sup>-5<sup>th</sup>
  - Under the Action Item for in class support we changed that to read 5<sup>th</sup> grade instead of 5<sup>th</sup>-6<sup>th</sup>
  - We may possibly add CMI training to our Action Items if our school will be completing this training next year.
  - No other changes were made

### **Approve Goal 1 and 2:**

- Motion: to approve 2021-22 Literacy and Mathematics Goals made by Emily Bastian- 2<sup>nd</sup> by Shannon Rogers. Voting was unanimous (7/7).

\*Members who were excused came will be emailed by Amanda Shepherd to approve Goals.

### **Other:**

- While solidifying our Mathematics Goal we had a discussion on how the RISE scoring system works. We are looking for an individual student's years growth
- While we looked at the Action Items on our Mathematics Goal we discussed the possibility of our school being chosen to complete CMI training. We were supposed to this year

but did not due to COVID. This training will allow teachers to help students learn and understand math at a deeper level.

- We also discussed that next year our 6<sup>th</sup> grade students will be moving to the new middle school which will drop the amount of students we will have which could reduce the amount of money we will receive and also the number of technicians we will have.
